

The Fantastic Exhibition!

VERMEER 9/35 Oct. 5, 2018 Open !

Making the Difference: Vermeer and Dutch Art
The Ueno Royal Museum Oct.5.2018~Feb.3.2019

The largest Vermeer Exhibition has just opened at The Ueno Royal Museum. Each and every day, a large number of people are visiting the exhibition to appreciate the Vermeer works.

Vermeer's 8 works which are exhibited, including *The Wine Glass* and *Girl with the Red Hat* are displayed for the first time in Japan.

Furthermore, *The Procuress* will be added from January 9 and Vermeer's 9 paintings will finally have been displayed. 9 of 35 paintings are borrowed from the famous museums all over the world and are gathered together at The Ueno Royal Museum.

Many masterpieces of Dutch Golden Age painters such as Gabriël Metsu, Pieter de Hooch and Jan Steen are also exhibited, including the many which are displayed for the first time in Japan. With the supports of the many museums around the world, this fantastic exhibition became a reality.
