

Vincent van Gogh Exhibition

Hyogo Prefectural Museum of Art 2020. 1. 25~3.29

It will open soon, on **January 25, 2020!**

The Hague, and Paris. The way to Gogh---

During his tenth year as a painter, Van Gogh met various painters and continued to search for his own way of drawing while being influenced by it. This exhibition introduces the Hague and Impressionist painters, and introduces what Van Gogh has learned through interaction with them.
